INDUSTRIAL EQUIPMENT & SPARE PARTS

KEEPING INDUSTRY IN MOTION

Genuine parts & equipment for the plants, factories and workshops of the Kingdom of Bahrain.

01 — ABOUT THE COMPANY

BUILT TO KEEP INDUSTRY RUNNING

TurboTec Industrial Equipment is a Bahrain-based supplier of industrial equipment and spare parts — serving the factories, plants and workshops that keep the Kingdom's industry moving.

Since 2007 we have delivered genuine components and machinery across pneumatics & automation, hydraulics, concrete pumping, dairy & food processing, and general industrial machinery — backed by a wide network of the world's most trusted brands. Whatever the part, we either stock it or source it: quickly, reliably, and with the know-how to make sure it's the right one.

OUR VISION

THE FIRST NAME ENGINEERS TRUST

To be the most trusted partner for industrial equipment and spare parts in Bahrain and the wider Gulf — the first name engineers think of when something needs to keep running.

OUR MISSION

MINIMIZE DOWNTIME, EVERY TIME

To reduce our clients' downtime by delivering genuine, high-quality parts and equipment — backed by deep technical expertise, a wide supplier network, and fast, dependable service.

02 — WHAT WE SUPPLY

OUR PRODUCTS

From a single fitting to complete equipment, we supply across five core categories — and source anything beyond them on request.

01

PNEUMATICS & AUTOMATION

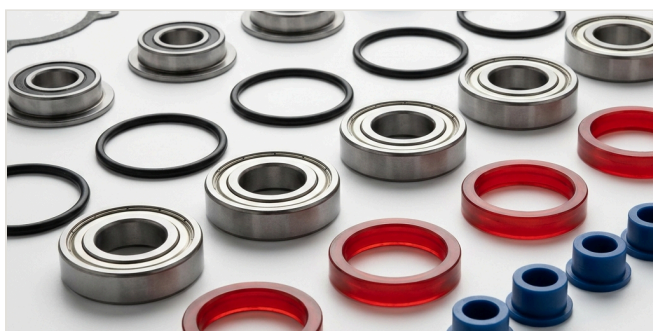

Cylinders, FRL units, solenoid valves, fittings, tubing, limit switches and positioners.

02

HYDRAULIC COMPONENTS

Gear pumps, cylinders, valves, fittings and hydraulic spare parts for heavy equipment.

03

CONCRETE PUMP PARTS

Bearings, seals, wear rings, bushings, gaskets and complete service kits.

04

DAIRY & FOOD PROCESSING

Sanitary tanks, hygienic valves, stainless fittings and food-grade components.

05

INDUSTRIAL MACHINERY PARTS

Bearings, motors, sensors, switches and electrical control components.
